

BE THE REASON FOR SOMEONE'S TOMORROW

THE GARY LETIZIA MEMORIAL BLOOD DRIVE

November 21st | 10 am - 4 pm

Gary Letizia was diagnosed with Leukemia at the age of 68. If not for the countless gallons of donated blood that kept him valiantly battling cancer, we wouldn't have been able to create those extra memories that final year. Please consider donating so that someone else's loved one may receive that same precious gift of time.
